

All vaccines have an additional **administration price**: \$15 for first and \$5 for each additional one. This covers giving each injection or dispensing the medication.

(Example: Order 3 meds or vaccines, 15 + 5 + 5 = dispensing fee is \$25.)

### **Prices of Vaccines and Medicines:**

Here is an **estimated** price list: (prices subject to constant change based on manufacturer's price - School leader to call Ruth Arthurs to let her know what vaccines may need to be ordered.)

**Twinrix** \$ 144 each, Hepatitis A & B combo (need a series of three: given day 0, 1 month, 6 months)

**Accelerated dosing:** (series of 4) day 0, day 7, day 21-30 followed by a 12 month booster.

**Hepatitis A** \$100 each (series of two given --initial + 6-12 months later, begins immunizing 4 weeks after receiving initial vaccine)

**Hepatitis B** \$80 each (series of 3 given initial visit, one month later and 6 months later)

**\*Typhoid** (series of 4 pills taken over 10 days) \$69

**CANNOT BE TAKEN WITH ANTIBIOTICS OR DOXYCYCLINE**

**Tetanus** (need this every 10 years) \$25

**\*Doxycycline** (Malaria prevention antibiotic) \$20 for 100 pills (start 2 days before leaving, take one every day with meals and liquid while on outreach and one each day for a month after returning).

**Malarone** (Malaria prevention and treatment) \$600 for 100 pills (minimum order) (start 2 days before leaving, take one every day with meals while on outreach and one each day for 7 days after returning home).

**Menningitis** \$155

**Polio** \$40

**Japanese Encephalitis** NOTE; WE HAVE HAD TROUBLE GETTING THIS VACCINE FROM THE MANUFACTURER. \$420 for a 3 dose series given day 0, day 7 and day 14-30, last dose must be 10 days before entering country of concern (price subject to manufacture's current price).

**Yellow Fever** – NOT AVAILABLE THROUGH Hawaii Family Physicians. You must go to a certified travel/ yellow fever clinic.

- \*These pills cannot be taken at the same time. Must take typhoid first and then begin Doxycycline.
- Please prepay and order two months before outreach to allow enough time for meds to be received and time to schedule your group (usually 10 per Wed).
- NO REFUNDS once the order is placed. NO CHANGES once the order is placed.
